SE - LAB-7 (Fuzz Testing)

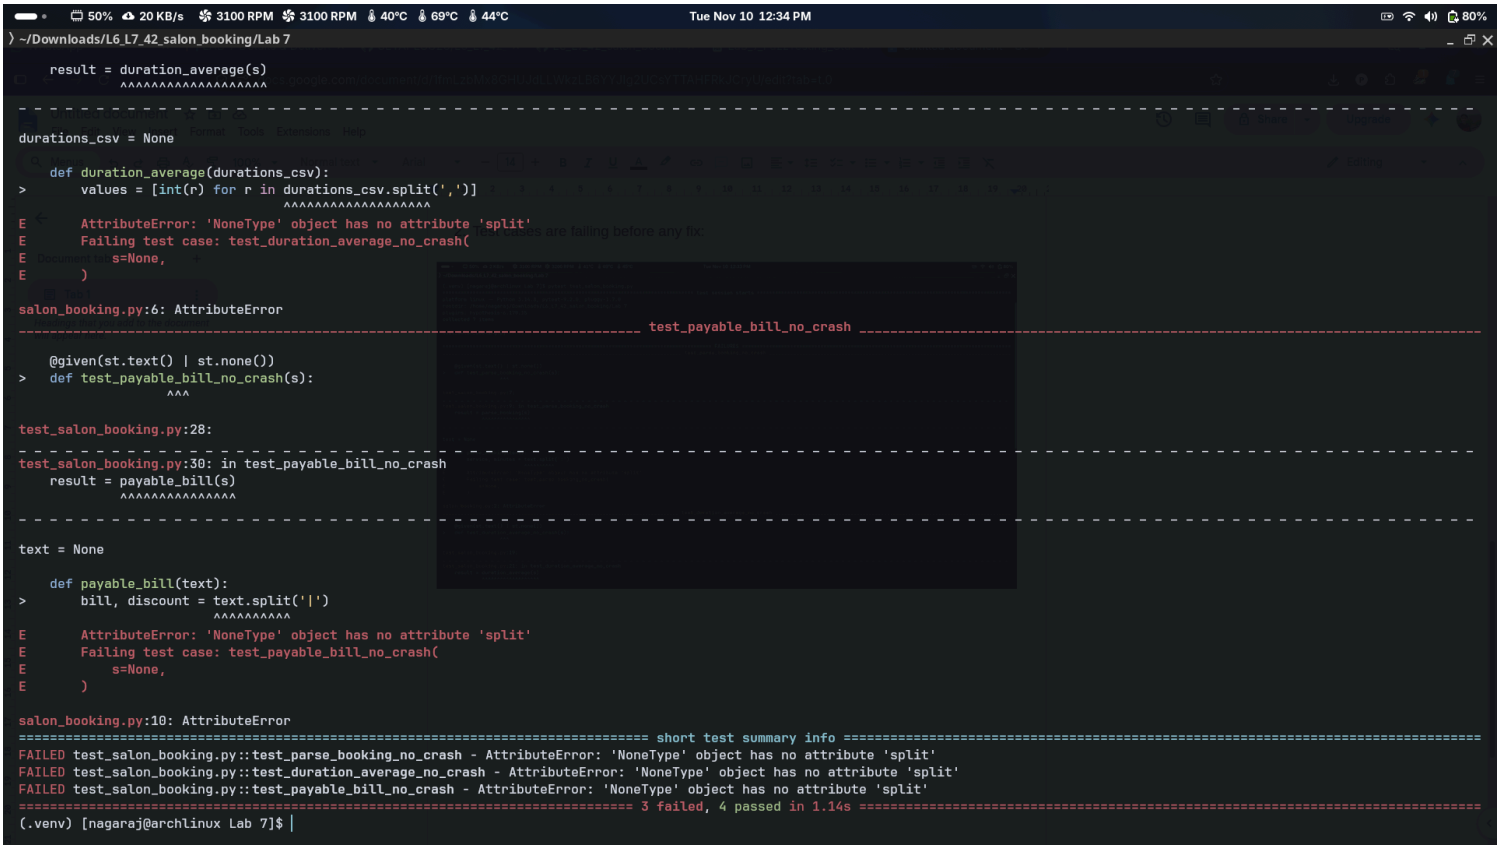

Name : Nagaraj Hegde
SRN: PES1UG24CS288

1. Bugs before fixing the code.
    - Application is crashing for invalid inputs.

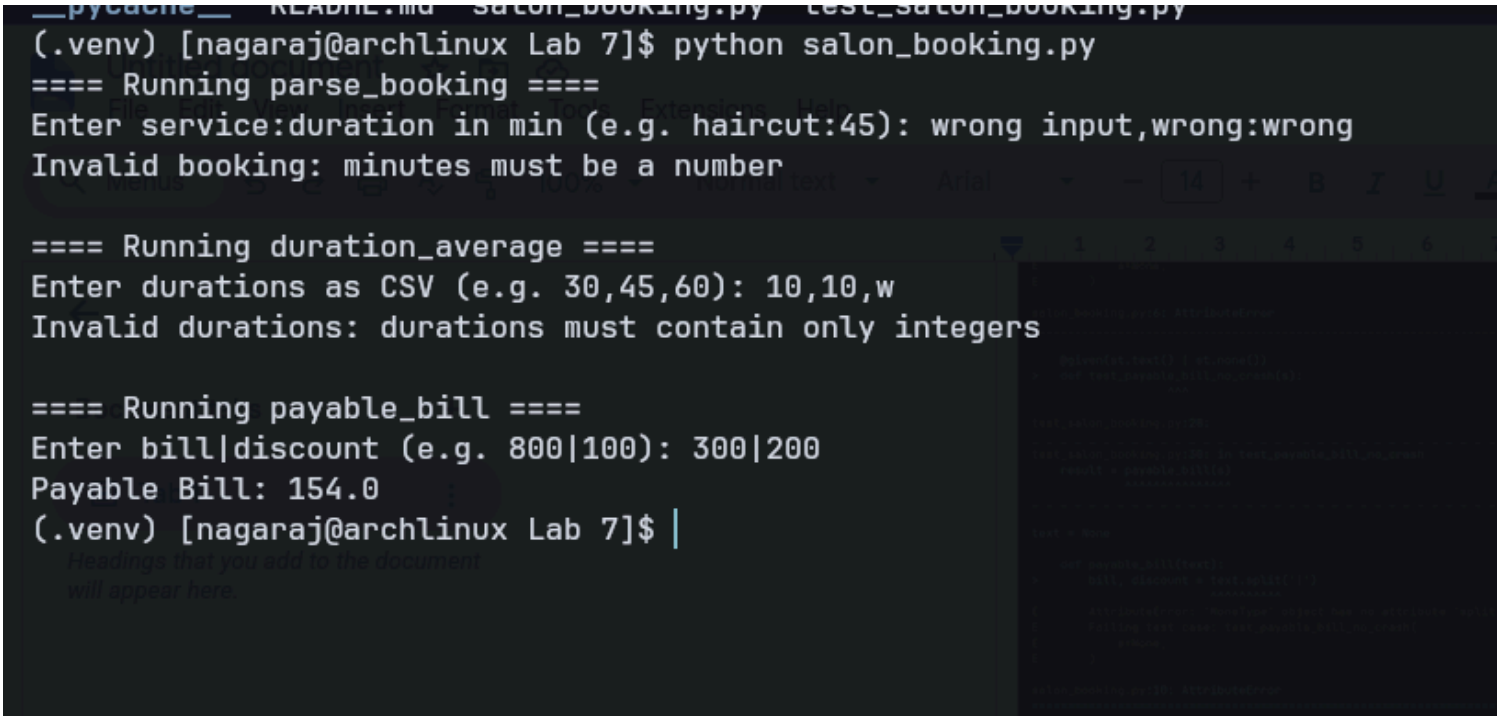

2. Test cases are failing before any fix:

3. After fixing the main file:
    - Application doesn't crash for invalid inputs.

4. Running test file:
    - All test cases passed.
